

Effective 2/21/2018

Superseded 5/14/2019

63F-3-104 Report.

- (1) The department shall report to the Public Utilities, Energy, and Technology Interim Committee:
 - (a) no later than November 30, 2016, with an initial design and prototype of the business database and the single sign-on web portal, together with a minimum two-year plan, including projected cost, for the initial implementation phase of the project; and
 - (b) before November 30 of each year beginning in 2017:
 - (i) regarding the progress the department has made in developing the business database and the single sign-on web portal and, once that development is complete, regarding the operation of the single sign-on web portal; and
 - (ii) whether the department recommends any change to the single sign-on fee being charged under Section 13-1-2.
- (2) The Public Utilities, Energy, and Technology Interim Committee shall annually:
 - (a) review the single sign-on fee being charged under Section 13-1-2;
 - (b) determine whether the revenue from the single sign-on fee is adequate for designing and developing and then, once developed, operating and maintaining the single sign-on web portal; and
 - (c) make any recommendation to the Legislature that the committee considers appropriate concerning the single sign-on fee.
